

The Deep River Economic Development Commission, in collaboration with the Deep River Planning and Zoning Commission, have launched a survey administered by AdvanceCT. AdvanceCT is a non-profit organization that works to engage, retain, and recruit businesses and advance overall competitiveness in Connecticut. The results of this survey will determine residents' as well as business owners' thoughts and ideas about development in town. Additional questions on this survey pertain to the school system as well as the demographics of Deep River. There are several sections that allow for comments or suggestions. The EDC is hoping for a good response to the survey. A ten percent or better response is required to make this survey statistically valid. Please take 10 minutes to complete the survey, the EDC is trying to gauge the pulse of residents and business owners and requires your assistance. Thank you in advance for your cooperation in this matter. <https://www.research.net/r/DeepRiverEDsurvey>
