Oct. 8, 2019

The October 7, 2019 meeting of the Deep River Fire Commission began at 7:07 P.M. with Bowden, Budney, Tim Lee, Dube, and David. Engineer Tom Lee, and Kerop and S. Budney also attended.

The minutes of the September 9, 2019 were reviewed and accepted with the following correction: At 7:20-7:30 Other Business was addressed, then went into a New Business discussion concerning matters of a new Firehouse. Minutes were approved with changes, moved by Bowden. 2nd Budney. Unan.

Financial Statements were reviewed. Everything looked okay.

Chief reports the postponed fire works will be on 10/26/19, at approximately 7:45. The Fire Police will be busy that day, as they already have obligations during that day. Adams will be cooking hot dogs to benefit the DRFD this coming weekend. The 9-1-1 ceremonies went very well. The meeting with OCMED went well also.

The Deputy reported water holes were reviewed. It was found the the source on Rosemont is operational.

There was no Engineer's report.

The Fire Marshal orally gave his report.

Chairman reports a grant writer has been hired, and the Commission will utilize him to do some grants for them. There was a discussion on what types of grants the Commission would need from the writer.

The new Firehouse plans are almost ready and may be available at next month's meeting. It is hopeful that there will be images of metal buildings available at that time, as well as pricing and a breakdown of interior features.

Old Business prompted Budney to state that all picture and memorabilia from Citizen's Bank will go to the Historical Society.

Under Other Business, it was mentioned that a request for a washer/dryer still needs to be done.

Budney will call Jeff with the Insurance after he reviews information he received earlier in the day, with any questions he has. He also needs more information from him.

This meeting adjourned at 7:34. Moved by David, 2nd, Bowden. Unan.
