

Plastic Bag and Film Recycling

More than just plastic bags are recyclable.

Recycle 500 pounds by February and Deep River receives a second park bench!

Plus

- Plastic Films labeled with #2 or #4 recycling symbol (polyethylene films)
- Ice Bags
- Wood pellet bags
- Salt bags
- Cereal box liners

Try these tests to see if your plastic is acceptable or not.

See if the package will stretch when you pull it. If yes, it can be included. If it tears like paper, then please do NOT put in the bin.

Is the package shiny or does it make a crinkly/crunchy sound in your hand? If yes, do NOT recycle in the NexTrex® bin.

All plastic must be clean, dry and free of food residue.

Deep River drop off locations:

Library - Inside ground level entrance

Town Hall - Inside Elm Street entrance

Adams - Outside bottle redemption center

Transfer Station - Next to single stream recycling
