Old Business:

Kornacki inquiring about invoice for upgrading (dingy dock) town dock. Lewis to collect invoice from fabricator and submit it for payment.

Discussion of Citizens Bank building. Kornacki to pen a letter to Ct Coastal Academy to clarify correspondence which appears contradictory.

New Business:

Discussion of EDC Webpage: After a brief discussion regarding the practicality of the webpage, it was agreed that EDC should decommission the site and utilize the towns. Labor to update any site will most likely continue to be a challenge.

Respectfully submitted,

Peter Lewis
