

Regulations committee  
Planning and zoning commission, deep River, CT 06417

Small conference room deep River town hall deep River Connecticut

Minutes for November 7, 2019

The meeting began at 6 PM,

Present: Jane Samuels chairman Alan Paradis David Basilone

It was decided that the regulations committee report to the PZC should contain an outline of what has been done with the bylaws thus far. Also discussed was the desire to add to the agenda for the regular PZC meeting later this month a request that our New ZEO look at our regulations with regard to state statutes and also our own regulations to bring them up-to-date and so that they conform to the plan of conservation and development. we also talked about how this may need some funding hopefully from our budget to give our new ZEO enough time to do this. Also discussed was the need to have the full commission review the plan of conservation and development. It was suggested that we do this in sections over the course of a few months. The meeting was adjourned at 7 PM

Signed: Jane Samuels regulations committee chairman
