Order of Business: Garden Show Exhibit viability

- After discussion, it was agreed that a letter be sent to Deep River businesses in the Floral / Landscaping / Garden Center industry to determine practicability of this event. After evaluating the response, the commission will then make a determination on the next course of action. There was a brief discussion on how to successfully publicize this possible event. It was agreed unanimously that if there is an adequate response by vendors, the auditorium at the Town Hall would be the most suitable venue.
