

**Town of Deep River  
Water Pollution Control Authority**

**Notice of Public Hearing**

Notice is hereby given that the Deep River Water Pollution Control Authority will hold a Public Hearing on Monday June 1, 2020 @ 7:15 P.M.

State of Connecticut Executive Order #7B has suspended in-person open meeting requirements so that public bodies could meet by audio or visual conference so long as public access is available.

Ratepayers can join this meeting on the Zoom platform.

Zoom Meeting ID # 859 9128 7941 Password: 593026

This Public Hearing is to establish the annual Equivalent Dwelling Unit (EDU) Operation and Maintenance charge for Fiscal Year 2020-2021. At this hearing ratepayers shall be heard and correspondence will be read.

A copy of the proposed budget is on file and available for inspection in the office of the Facility Manager at the Deep River Water Pollution Facility. The charge, which is currently set at \$435. (Four Hundred Thirty-Five Dollars) per Equivalent Dwelling Unit is anticipated to remain unchanged.

Ted Mackenzie  
Chairman Deep River Water Pollution Control Authority
